The 6-Day Illustrated Guide to Photoshop (Part Two) Part Two: Blending - We start to work on blending options. Take a look at the left side of the screen here and you'll see three options for blending. Lighten, Reveal, and Color Dodge. You'll notice that in the top row, what I've selected is Color Dodge. The other two choices correspond to the bottom row. In the first example, I've selected Lighten. In the second example, I'm selecting Reveal. Now, I'm thinking, "OK, if I'm revealing and Lightening, why is there a Plus in here?" 933d7f57e6
